# SETTE ARCHITECTURE

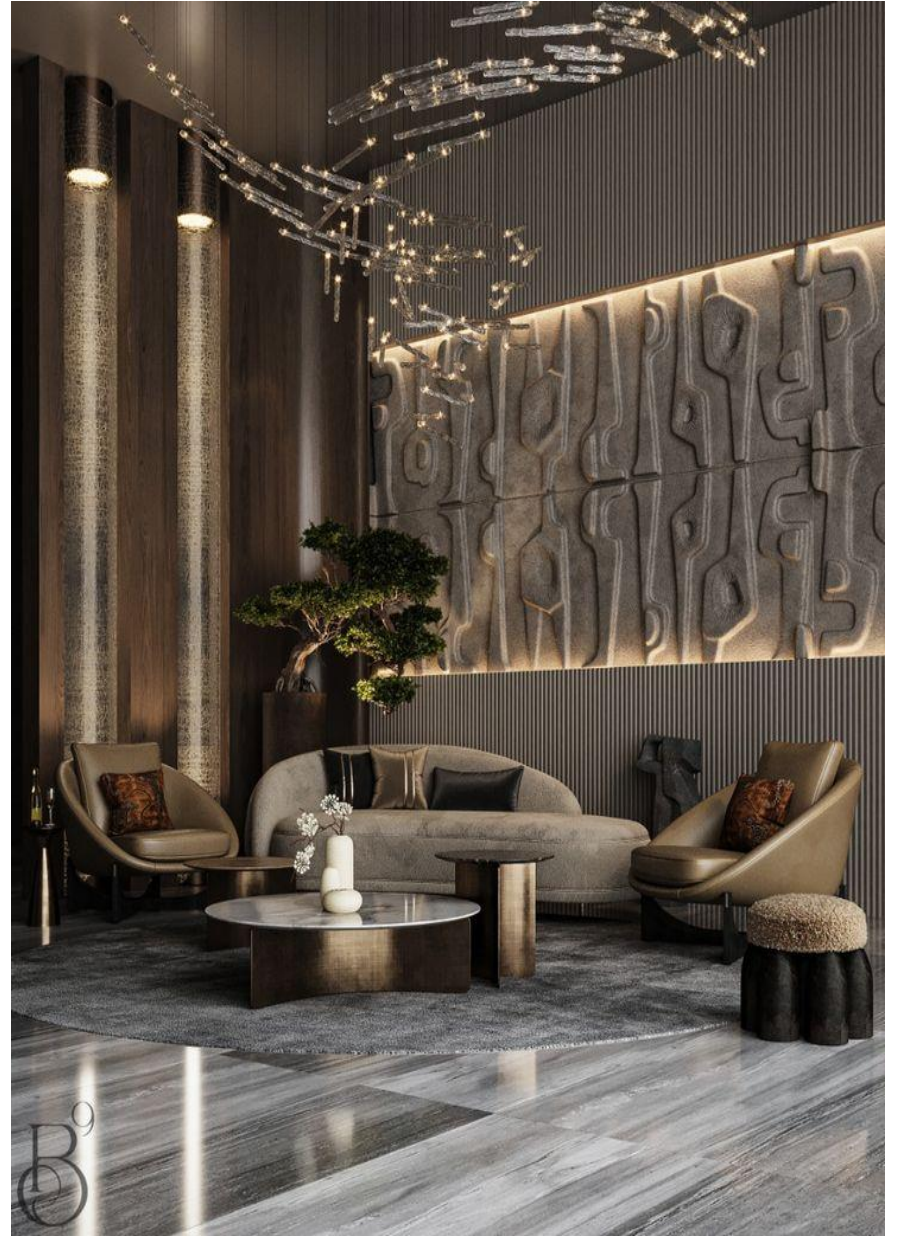

Founded in 2018 with a dedicated group of architects and craftsman, Sette

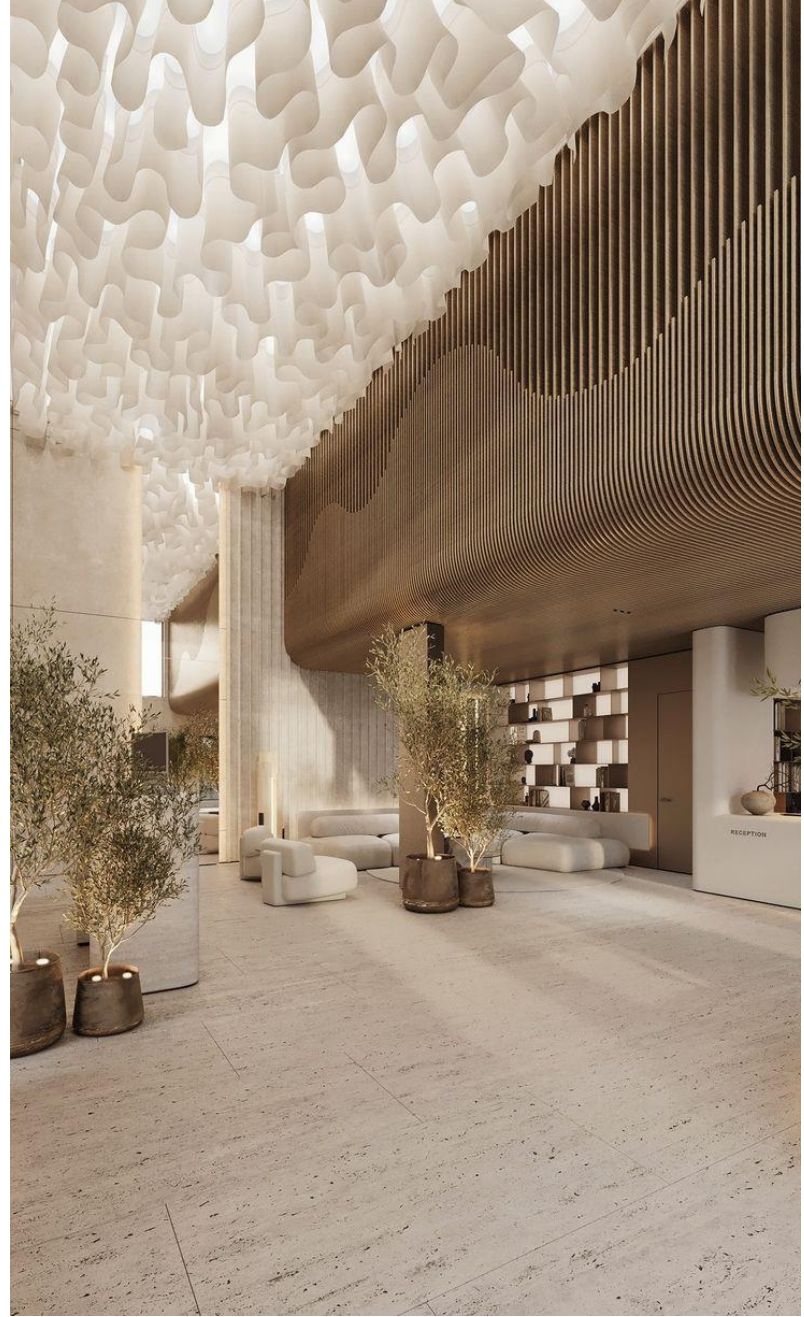

Architecture ltd has successfully completed and delivered several high-end projects ranging from luxury hotels, retail units, residents, headquarters and airports to outfitting cruise vessels and trawlers in Turkey and abroad.

With the signing of two more passanger vessels' accomodation package, our team is dedicated to becoming a major supplier of custom made furniture to marine vessels not only in Turkey but in the international market as well.
